

Celebrating Community Centre Week 2017

Community Centre Week runs from 19th – 25th July and aims to remind everyone how important community centres are to our neighbourhoods – how much amazing work they do, and that we should never take them for granted. Initially started by a group of centres in London, this year WCAVA wants to also take time out to celebrate our local hidden treasures.

Every day we will profile local community venues and highlight relevant guidance, services and activities. Would you like to be part of this? If so, please complete the table below and the information you send back to me will be circulated during Community Centre Week 2017.
