

Celebrating Community Centre Week 2017

Community Centre Week runs from 19th – 25th July and aims to remind everyone how important community centres are to our neighbourhoods – how much amazing work they do, and that we should never take them for granted. Initially started by a group of centres in London, this year WCAVA wants to also take time out to celebrate our local hidden treasures.

Rooms are available to hire for charity and business use and for children's parties.
