*Warwickshire State of the Sector Survey 2015/16*

## Strategic Relationships with Public Sector

We asked to what extent respondents had dealings with the Public Sector

” 67% of the sector have a 'great' or 'fair amount' of dealings with the Public Sector

*Warwickshire State of the Sector Survey 2015/16*

We then asked respondents how beneficial these relationships. Those who said very beneficial said things had changed for the better as a result of good engagement.

We then asked whether these relationships have improved or worsened?
