

Inspire

Nuneaton, Bedworth and North Warwickshire

Are you 18-24 years old and not in full-time education, employment or training?

Inspire is designed to help young people overcome barriers to work and discover their potential.

Inspire can support you to:

- Increase confidence and self-esteem
- Improve well-being
- Develop social networks and meet new people
- Develop employability skills
- Address personal barriers
- Achieve personal goals

For more information contact:

Mandy Groves 07703 715146

Email linkingfutures@wcava.org.uk

A dedicated mentor will support you to look at volunteering, work experience and help you to explore career and progression opportunities.

Inspiring Futures is a joint funding programme between BBC Children in Need and the Youth Futures Foundation. Youth Futures Foundation exists to transform the lives of young people by unlocking their potential and addressing the root causes of youth unemployment.
