

DON'T FORGET

IF IT'S YOUR **SMEAR** THIS YEAR!

Public sector organisations across Coventry and Warwickshire are running a series of **FREE cancer screening education events** in support of Cervical Cancer Prevention Week 2019!

The events are aimed at local people in the area... so if you work with:

- Voluntary and Community groups
- Learning and Disability groups
- Black, Asian and Minority Ethnic groups
- Faith, charities and support groups
- Refugee and Asylum Seekers
- LGBTQI

**FREE
EVENTS**

Or, if you're interested in how to help women look after their health, please sign up to one of the events.

The events will focus on the importance of regular cervical screening for women's health and encourage health professionals, community and voluntary organisations to provide information and reassurance around the fears or embarrassment that some women may have concerning the test.

LOCATION	DATE	VENUE
